Welcome

Nothing turns an occasion into a celebration, sparks a conversation, or elevates a meal from ordinary to elegant quite like fine wine. That's why AmaWaterways has expertly curated Wine Cruises that add a unique, epicurean dimension to our standard itineraries. Not only do you enjoy sightseeing in grand capitals and charming villages alike, you'll be treated to special wine-related excursions in some of Europe's most renowned wine regions. Wine tastings and exquisite food and wine pairings please the palate while exclusive tours provide insight into the different grape varieties harvested in each distinct region.

Every cruise is hosted by a qualified North American wine expert, who usually brings hand selected wines on board to serve with meals and tastings. Some wines come from the expert's own winery and other varieties are sourced from local wineries located along the cruise itinerary.

Whether you are a wine connoisseur or simply indulge in a sip here and there, these cruises make for an exceptional experience. We hope to welcome you aboard soon.

Sincerely,

Rudi Schreiner

CASTLES ALONG THE MOSELLE RIVER

OUR STORY

Family-owned and operated, AmaWaterways has been a passion project for its founders since its creation in 2002. President Rudi Schreiner designed his first ship back in 1975 while sailing the Amazon for seven months. Since the completion of the Rhine-Main-Danube Canal in 1992, Rudi has been a driving force for river cruise travel—and for these efforts has been recognized as the “Most Innovative Cruise Executive” and has been presented the prestigious “Lifetime Achievement Award” by Cruise Lines International Association (CLIA).

Executive Vice President, Co-Founder and Co-Owner Kristin Karst brings extensive experience in luxury travel, river cruising and customer service to AmaWaterways. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations. His son Gary now carries on his father’s tradition in his role as Vice President of Sales. These families came together to create the premiere travel experience for AmaWaterways’ guests.

Our commitment to this unifying goal is what makes an AmaWaterways river cruise stand out from the rest. While we received the 2016 Cruise Critic Editors’ Picks Award for the “Best River Cruise Line” and were recognized as having the “Highest Rated River Cruise Ships in Europe” by travel authority Berlitz, we never rest on our laurels. AmaWaterways is always humbled by the wonderful accolades we receive, which underscore our whole-hearted dedication to the happiness of each and every guest who travels with us.

THE LUXURY OF MORE

As AmaWaterways has grown over the years, we have continued to focus on finding new ways to give our guests more—more experiences, more space and more choices. Our spirit of always looking at what's next on the horizon is inspired by our President and Owner, Rudi Schreiner. His vision has led to many firsts—AmaWaterways was the first to offer twin-balcony (a French balcony and outside balcony) staterooms, include a specialty restaurant, carry a fleet of bicycles on board and offer a broad selection of tours.

Your river cruise with award-winning AmaWaterways will be a luxurious experience from start to finish. Customize how you explore Europe with a variety of included shore excursion choices. After a day of discovery, it's time to return to your floating sanctuary. Instead of using available space to carry more guests, we chose to make your staterooms larger and provide more amenities. This way, you never feel crowded and there's always a way to indulge, relax and rejuvenate.

No matter how you choose to spend your time, on board or ashore, you will have an unforgettable river cruise with AmaWaterways.

“AmaWaterways has helped to redefine European river cruising and spends considerably more on high-quality food ingredients and wine and on hotel crew service training than any other river cruise company.”

– DOUGLAS WARD, BERLITZ RIVER CRUISING IN EUROPE

A PALATE-PLEASING JOURNEY

One of the most rewarding aspects of traveling is indulging in the local flavors of new destinations. Our Executive Chef, Primus Perchtold, winner of three gold medals at the European Championship of Culinary Art, along with his team of expert chefs, craft locally-inspired menus using the freshest ingredients. Menu selections change daily, and with every lunch and dinner, you'll enjoy unlimited regional wines along with beer and soft drinks. Membership is extended by invitation only to those possessing world-class culinary acumen. Simply stated, our onboard dining is truly outstanding.

The Chef's Table specialty restaurant, a dining alternative to the Main Restaurant, offers a unique culinary experience at no additional charge. Join fellow guests at this intimate venue where the kitchen becomes part of the entertainment. Watch as your chef prepares a tasting menu with three appetizers, a sorbet intermezzo, three main courses and three decadent desserts—all paired with hand-selected wines.

YOUR OWN PERSONAL WINE HOST

On an AmaWaterways Wine Cruise, you'll be joined by one of our expert wine hosts—knowledgeable winery owners and winemakers from renowned North American wineries, along with wine instructors and certified sommeliers. Always insightful and entertaining, our wine hosts lead you through tastings and accompany you to local wineries and vineyards where you'll learn first-hand from regional European experts the nuances of Old World traditional wine-making methods.

On board, your wine hosts will recommend food and wine pairings, lead discussions and hold tastings. Have fun learning how to tantalize your senses at a special food and wine pairing dinner, and take home a few insiders' tips to share at your next gathering. Look for sections labeled "Meet Some of Our Wine Hosts" within this brochure and get to know a little more about a few of our expert wine hosts.

Bordeaux

THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde Estuary that naturally divides the famous Bordeaux region into the Left and Right banks. One of the largest controlled wine regions in France, Bordeaux is made up of several sub-regions each with its own strictly governed appellation, unique climate and terroir. Unlike most wines around the world, the quality of Bordeaux wine is determined by these factors rather than the grape varietal. Bordeaux is acclaimed for its legendary red blends, though white blends from this region also make a big impression. The Left and Right banks of the river have different soil types that bring these exceptional blends to life.

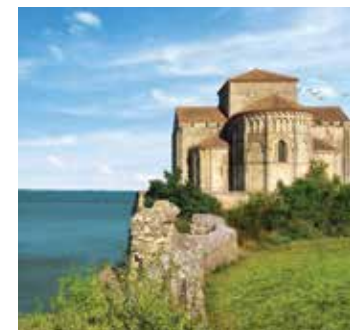

TASTING NOTES

THE LEFT BANK: SAUTERNES AND MÉDOC

The flatter, gravelly lands of the Left Bank embrace the heat of the sun south of the Gironde, giving life to many rich red and sweet white blends like those of the Médoc and Sauternes regions.

THE RIGHT BANK: SAINT-ÉMILION

The limestone and clay soils of the Right Bank are perfect for Merlot, the most popular grape used as a base for blends in Bordeaux. Prestigious appellations like Bourg and Saint-Émilion produce some of the best Merlot based blends that are combined with Cabernet, and other grapes.

Bordeaux's perfectly carved countryside and historic landmarks will take your breath away.

VINEYARDS DURING THE FALL HARVEST

Seine

THE SEINE RIVER

The curvy nature of the Seine River can be disorienting when you're in Paris. Not to worry, just remember to face downstream, so you can tell the Left Bank from the Right. Our *Paris & Normandy* cruise itinerary is about as romantic as it gets, beginning with views of the art-inspiring "City of Light" that morphs into lush countryside and the historic Normandy Beaches. France's second largest waterway allows us to sample some of the country's most renowned champagne, ciders and Calvados.

The wine variety that instantly characterizes northern France comes from the Champagne region, about 90 miles east of Paris. These sparkling varieties produce a sweet effervescence and unparalleled quality that merit exclusive classification as the one-and-only wine known as Champagne. Another specialty drink found closer to the English Channel is Calvados, which comes from Normandy's fruit-filled orchards. Made from over 170 apple (and pear) varieties, this rustic spirit is distilled twice and barrel-aged for at least two years before bottling. The result is a liqueur bursting with mainly complex flavors.

TASTING NOTES

DOM PÉRIGNON: A BENEDICTINE MONK & CHAMPAGNE

Contrary to popular myth, the Benedictine monk, Dom Pérignon, did not invent the "champagne method" for making sparkling wine. A cellar master at the Abbey in Hautvillers in northeastern France, Dom Pérignon was the first to blend grapes in such a way as to improve the quality of wines. His legacy endures in the form of a prestigious Champagne from Moët & Chandon, which bears his name.

Ignite your palate with delicious champagne and Calvados from Northern France.

ITINERARY HIGHLIGHTS

FÉCAMP MONASTERY: A HEAVENLY ELIXIR

Along Normandy's dramatic Alabaster Coast lies the Fécamp Monastery. It is there that 19th-century wine merchant Alexandre Le Grand rediscovered the recipe for a special elixir—a medicinal herbal liquor known as la Bénédicte. Originally developed by a Venetian monk, this mysterious elixir's complex flavor profile is sure to delight those who try it.

BÉNÉDICTINE PALACE, FÉCAMP

Paris always sparkles while Normandy beckons with its stunning coastline, incredible food and artistic beauty. Rouen's Cathedral and the charming harbor town of Honfleur will inspire you. Visit the Fécamp Monastery where you'll be treated to its Benedictine elixir; travel along Normandy's Cider Route to sample some of their famous cider and Calvados; and taste the famed bubbly beverage, Champagne, as you listen to the story about a monk named Dom Pérignon. Walk along the unforgettable Normandy beaches of WWII and relive the grandeur of royalty at Château de Bizy, once referred to as "the Versailles of Normandy."

CHÂTEAU DE BIZY: A TASTE OF NORMANDY

Inspired by the opulence of Versailles, the 18th-century Château de Bizy was constructed as a Royal Château. Enjoy an escorted tour of the salons and sample some delicious Norman cheeses, apple cider and Calvados at special tasting stations throughout the estate. You will also have the chance to uncover your own natural talent for wine tasting.

Rhône

HILLSIDE VINEYARDS ALONG THE RHÔNE RIVER

THE RHÔNE RIVER

Besides providing captivating views of medieval towns and colorful landscapes, the Rhône River connects the dots between thousands of vineyards from Lyon to Avignon. Our *Colors of Provence* itinerary takes you through this prized wine-producing region in southeastern France, known across the globe as the Rhône Valley. You'll also get to savor some delightful wines from the Beaujolais region just to the north, where the Rhône meets the Saône. The valley traces the path of the river for almost 150 miles, hypnotizing travelers with grape-covered vines gripping its steep sides. Since it's so large, the climate varies greatly from north to south as does the soil and wine quality. Thus, the Rhône is divided at the town of Valence into two worlds of wine: the Northern Rhône and the Southern Rhône.

TASTING NOTES

THE NORTHERN RHÔNE

What the Northern Rhône lacks in terms of size, it makes up for with prestige. Its continental climate and granite soils fuel the exceptional quality achieved by the noble vines in this region. Syrah grapes, like those used in the famous Hermitage wines, are so impressive that it's the only red grape variety allowed to be grown here. These full-bodied, rich, tannic wines can evolve for decades, enhancing their delicate notes.

THE SOUTHERN RHÔNE

A warmer climate is enjoyed in the Southern Rhône with hot summers and mild winters. The larger sub-region is responsible for nearly 95% of the entire region's wine, including a wide range of everyday whites, rosés and Grenache-based red blends from the Côtes du Rhône appellation. The south also creates a variety of powerful, high-quality reds and whites in areas like Châteauneuf-du-Pape.

Stunning scenery and iconic sights are discovered at every turn as you journey along the Rhône River.

From romantic cities to foodie havens and artistic epicenters, this itinerary will enliven all of your senses. Begin with three nights in Paris before going to Lyon, France’s culinary capital. Savor the beauty of legendary vineyards and indulge in local vintages like Beaujolais, Côtes du Rhône, Hermitage and Châteauneuf-du-Pape. Epicurean travelers will relish the chance to become an expert in all things culinary: refine your Provencal cooking skills; go in search of the “Black Diamond” truffles; and learn how to pair chocolate with wine. Trace the steps of famous artists as you live out the “Artist’s Experience” in Arles, where Van Gogh was inspired to create many of his most famous works, including “Starry Night.” And let Barcelona cast its magical spell on you.

SIGHTSEEING THROUGH PROVENCE, FRANCE

Douro

ENJOY TASTINGS OF PORT AND OTHER DOURO WINES

THE DOURO RIVER

Land near a river, and naturally protected by mountain ranges, inspired winemakers to plant vineyards along the Douro, but wild landscapes and nutrient-poor soil made this an extremely difficult task. The birthplace of Port wine would simply not exist today if it hadn't been for the centuries of determined winegrowers who laboriously carved rows of vines into the steep, dramatic terrain. Angled, rocky terrain just so happens to be ideal for the growth of grapes. Over the years, the magnitude of Portugal's Douro Valley wine region has grown remarkably and it is now divided into three parts. Our *Enticing Douro* itinerary cruises through all three sub-regions.

TASTING NOTES

BAIXO CORGO

Baixo Corgo lies closest to the Atlantic and has more than 33,000 acres of vineyards, yielding the largest cultivation of grape vines. The vineyards threaded through these extreme slopes give life to rich, tawny Ports, red and white table wines and sparkling Vinho Verde, which translates as “young wine.”

CIMA CORGO

Cima Corgo is home to a drier climate and proves to be the most fruitful region. The 50,000 acres of vineyards that cling to the Douro's heartland produce remarkable, long-lasting table wines and Ports like those of the Vintage variety in Pinhão.

DOURO SUPERIOR

Douro Superior is the easternmost sub-region and has the driest conditions, slate-like soil and continental climate that gives life to some of the finest, most impressive Vintage Ports in all of Portugal.

The Douro Valley's intense, vineyard-covered landscapes give life to the one and only Port wines.

Throughout your travels, soak up the genuine beauty and breathtaking charm of one of Europe's most unadulterated landscapes.

REGUA: QUINTA DO SEIXO AND SANDEMAN

TOUR HISTORIC WINE CELLARS

Wachau Valley

VIEW OF WACHAU VALLEY, AUSTRIA

THE DANUBE

Brilliant architectural masterpieces and vine-strung hillsides on the Danube River have inspired artistic creations for hundreds of years. The *Romantic Danube* and *Melodies of the Danube* itineraries journey through Germany, Austria, Slovakia and Hungary, so you can experience some of the most celebrated wines and sights in Europe's heartland.

Over 3,700 acres of terraced vineyards rise from Austria's illustrious Wachau Valley. Located between the towns of Melk and Krems, this cooler-climate wine region brings a wide variety of refreshing, peppery white-grape wines to fruition. Grüner Veltliner is considered to be the most important grape in Austria. Grown in loess soils by the river's edge, these favored wines offer aromatic stone fruit flavors reminiscent of the terroir. Riesling, the second most popular grape, loves rocky inclines, so it is extensively sewn into the rich hillside. Fruity notes and floral scents surface from these unique whites.

TASTING NOTES

THE WACHAU VALLEY: GRAPES & APRICOTS

The terroir and grape varieties of the Wachau Valley truly define the essence of its wine. So much so that the wines even utilize their own classification system, designed only for the Wachau. Of course, grapes aren't the only fruit that grows here—as the region is equally famous for its apricots, which have received EU protection since 1996. Each spring, roughly 100,000 apricot trees begin to bloom, adding to the landscape's aesthetic beauty. Everything from apricot jams and strudels, to apricot dumplings, to marmalades, schnapps and brandies are yours to savor.

Immersive tours deliver unique cultural experiences and a taste of local life.

GREINBURG CASTLE, AUSTRIA

Rhine, Moselle and Main

THE RHINE, MOSELLE AND MAIN RIVERS

The Rhine along with its main tributaries—the Moselle and Main—have created a wine connoisseur's paradise, which can be discovered on our *Europe's Rivers & Castles*, *Enchanting Rhine*, *Captivating Rhine* and *Rhine & Moselle Splendors* itineraries.

The Upper Middle Rhine's slate soil combined with a semi-continental climate have proven to be a recipe for wine-growing success for the Rheingau vineyards, yielding high-quality white wine varieties, and some fine reds. Germany's Moselle River Valley yields some of the finest white wines ever produced due to its blue Devonian slate and quartzite soils. Alongside the Main River in eastern Germany, a wide variety of wines have been surfacing from Franconia due to its special soils and Mediterranean-like climate.

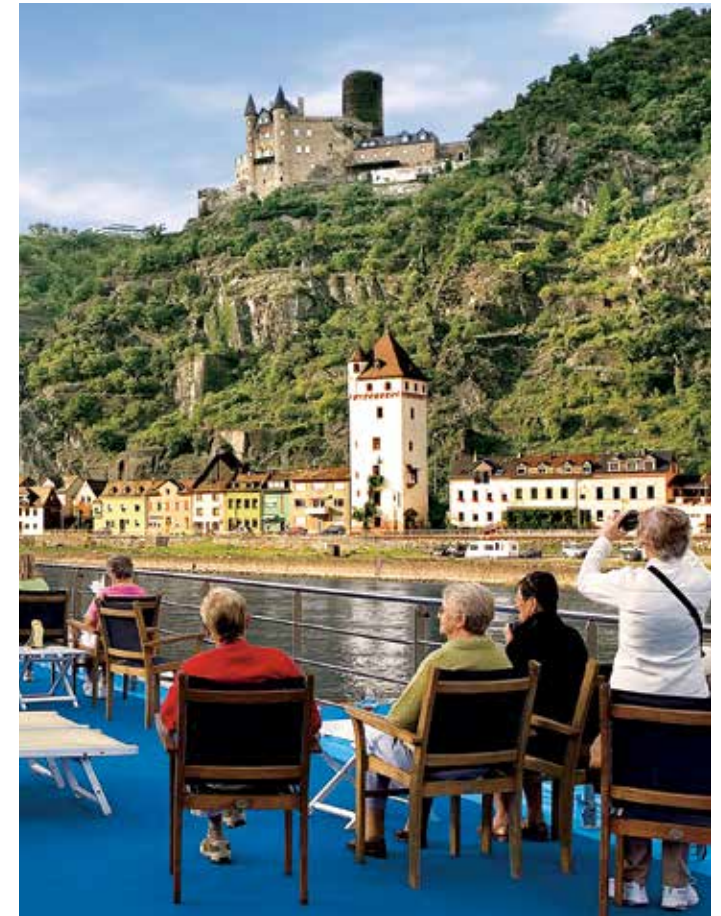

TASTING NOTES

THE ALSACE: A HIDDEN TREASURE

France's Alsace region has been blessed with desirable conditions: ancient soils, noble grapes and an extraordinary climate. This region produces noteworthy dry Rieslings as well as highly aromatic Gewürztraminer wines and Crémant d'Alsace.

THE MOSELLE: GERMANY'S OLDEST WINE GROWING REGION

In Germany where Riesling reigns supreme, the sheer quality of the terroir and climate found along the Moselle is perfect for Riesling grapes. Many connoisseurs consider these wines to be amongst the finest white wines ever created.

Discover charming medieval villages, cosmopolitan cities and stunning scenery along the Rhine, Moselle and Main rivers.

SCHWETZINGEN PALACE GARDENS: A DREAM COME TRUE

Prince Elector Carl Theodor had a dream to make Schwetzingen Gardens the most beautiful castle gardens in the world. And he did just that by instructing the leading landscape architects and artists of the age to design the gardens. It's an enchanting place that blends two very distinct styles—the French geometric influence and the more organic English landscape, into one castle garden that is beyond amazing.

SCHWETZINGEN GARDENS, GERMANY

Romantic Paris and cosmopolitan Zurich provide the perfect beginning and ending to your splendid journey along two of Europe's most alluring rivers, the Rhine and Moselle. In between, expand your imagination by stepping into the pages of a fairytale in cities like Cochem, where folklore and history come to life, and discover the foundations of Strasbourg's French and German heritage. Be inspired by Trier's impressive Roman Imperial Baths and the imposing Porta Nigra. You'll also encounter true whimsical ingenuity at Siegfried's Mechanical Museum in Rudesheim and at Schwetzingen Gardens. Along the way, meet local wine growers who will charm you with delicious wines that highlight this epic wine route.

BERNKASTEL: "CITY OF VINE AND WINE"

Bernkastel appears to have been lifted from the pages of a storybook with its charming cobblestone streets and attractions such as the historic market square and the Landshut Castle ruins. Bernkastel also has a legacy for wine-producing and its vineyards are among the oldest in all of Germany. You'll get to savor the celebrated Moselle wines at Dr. Pauly Bergweiler's Wine Estate.

TERMS & CONDITIONS

Parties: In these terms and conditions, “you” or “passenger” or “participant” refers to the person booking, purchasing or traveling on the cruise, and to individuals traveling as part of that person’s reservation. “We” or “us” refers to Amadeus Waterways, Inc., a California corporation (“AMA”) and AmaWaterways, LLC, a California Limited Liability Company (“AWL”). AMA offers the travel and enters into these terms and conditions with you pursuant to arrangements made with AWL.

Deposit and Final Payment: To confirm a cruise or cruise & land reservation, we require a deposit of C\$500 per person for Europe and Asia itineraries and C\$3,000 per person for Africa itineraries on or before the deposit due date indicated on the confirmation. Transoceanic airline flights and packages require an additional deposit of C\$450 per person for economy class or C\$750 per person for business/first class flights. Certain airline tickets require non-refundable, full payment at the time of reservation. Hotel Extra Nights require a non-refundable deposit of C\$50 per stateroom at the time of confirmation of the hotel availability. Final payment is due no later than 90 days before the travel start date.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice to AmaWaterways must be via email to Res@AmaWaterways.com, which must include a return receipt and read notation, or other writing stating clearly and correctly each guest’s name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. The effective date of the cancellation is the date we receive the written cancellation notice. Name changes, a substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as follows:

* Certain airline tickets, including all intra-Asia and Intra-Africa Flights within 90 days of departure and published price tickets, are 100% non-refundable.

Except as otherwise provided in your Passenger Ticket Contract, after travel begins, there is no refund for unused services, or unused portions of cruise, cruise/tour or airfare.

Pricing: All prices are in Canadian dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel agent or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Prices Do Not Include: Published prices do not include vessel fuel surcharges; passport and visa fees; baggage fees; port charges and fees; travel protection; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

Passport and Visas: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at final payment. If not received at this time, embarkation may be denied and cancellation penalties will apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a single entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Turkey, Vietnam, Cambodia, Kenya, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa

and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant’s visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.

Travel Documents: Only after receipt of full payment, travel documents (including airline confirmation information, if applicable) will be sent by regular ground delivery (US & Canada), approximately 3-4 weeks prior to departure. (Delay in final payment will delay delivery of travel documents.) Expedited delivery may be possible for an additional charge.

FLIGHTS & AIRPORT TRANSFERS

Flight Schedules & Airfares: AmaWaterways offers special airfares based on the flight and seat availability of contracted carriers. We are able to accept a traveler’s choice of preferred air carrier, flight schedule, and some deviations so long as the requests are made at the time of booking the airline reservation. To hold/confirm an airline reservation, the airlines require your full legal name as it appears on your passport. For contract airline fares a **deposit of C\$450 per person (economy class tickets) or C\$750 per person (business/first-class tickets) is required to secure the flight schedule and quoted price.** Published airfare prices require full payment at the time of reservation. **Once the airfare deposit or full payment is received your airline tickets will be issued** and any changes will be subject to penalty if not cancelled within 24 hours of ticketing. Should the name on your airline reservation not match your passport exactly, your airline reservation will have to be cancelled, full penalties will be assessed and your reservation will have to be recreated subject to market pricing at the time of the new reservation.

Air tickets are economy class, unless otherwise requested and additional charge for upgrade is paid, and are issued pursuant to the terms and conditions of the relevant airline(s). **Airlines require your name to appear on your airline ticket exactly as it appears on your passport.** We shall not be responsible or liable for consequences of name on an airline reservation and passport not matching exactly. We shall not be responsible or liable for costs resulting from airline schedule changes, lost air ticket, delay, disruption or cancelled flight; lost baggage or missed connections.

Changes: Airline tickets issued by AmaWaterways have restrictions. For example, they cannot be reissued, transferred, or exchanged. Any changes made to an airline ticket, including minor name corrections, will incur a minimum C\$450 per ticket change fee plus any additional increases in the cost of the airfare. A change or refund request must be made through us, but may not be possible. For example, some airline tickets are non-refundable.

Limitation on Special Requests & Frequent Flier Numbers: As a courtesy, we may try to relay a request for seat

assignments, meal requests, frequent flyer numbers, or other special assistance to the particular airline. The sole authority to grant such requests rest with the airline and is not under the control of AmaWaterways. Whether or not we relay a request to an airline, you or your travel agent must always confirm directly with the airline regarding any such requests. To insure you receive proper credit on your frequent flyer account, we recommend you provide your frequent flyer number to the airline at the time of check-in. Please note our airfare prices use special contract fares that may not allow you to receive credit on your frequent flier account nor may they allow you to use miles to upgrade to a higher class.

Baggage: Please check with the airline regarding their baggage allowance. Most airlines limit checked bags to either one or two pieces per person, and limit carry-on baggage to one piece per person, and weight and size restrictions apply. There are strict luggage restrictions for our programs in Africa; please ask for details. We shall not be responsible or liable for costs or consequences of participant exceeding the airline’s baggage restrictions, or for loss, theft, damage or delay to participant’s baggage.

Airport Transfers: Guests purchasing transoceanic airfare through us may qualify for complimentary group airport transfers on a scheduled arrival between the airport and the ship or hotel, and on a scheduled departure between the hotel or the ship and airport. Airport transfers included in your airfare package will be reflected on your travel confirmation and on your travel documents. If airport transfers are not reflected on your confirmation, AmaWaterways is not responsible for providing airport transfer service to you. Please note: our group airport transfer service may involve some waiting time between the time your flight lands and the time you arrive at the ship or hotel. All guests making their own airfare arrangements are solely responsible for arranging their transportation to/from the airport. Individual airport transfers can be purchased for those guests who are scheduled to arrive/depart on our itinerary dates, please ask for details.

GENERAL PROVISIONS

Cruise and Cruise & Land Itineraries: Carrier seeks to provide services as published or stated in the final documents. But deviations to planned cruise, cruise & land itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

Hotel Accommodations: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary,

therefore use of such hotels is not assured. An effort will be made to substitute similar hotels, but the level of similarity may vary. Standard policy for hotels is to have rooms available for check-in no earlier than 3:00 p.m. Subject to the discretion of the hotel, triple-occupancy hotel accommodations may involve the use of hotel rooms with just two beds. Only those guests who have elected to take our Cruise & Land program on the brochure itinerary dates will receive transfers between the hotel(s) and the ship.

Cancellation: Carrier reserves the right to cancel, change or postpone any cruise departure date and itinerary. In the event of a complete cancellation of a departure by Carrier, we will refund monies paid for the cruise or cruise & land package to those participants who have not previously cancelled.

Personal Changes: Except as otherwise provided in your Passenger Ticket Contract, deviation from the published itinerary for any reason will not entitle participant to any reduction in charge. Participant will bear a full charge for any unused services.

Child Policy: All guests under the age of 18 are to be in a cabin with an adult, and must remain supervised at all times, and their safety is the responsibility of the accompanying adult(s). Children between the ages of 4-10 at the time of embarkation may share a cabin with 2 adults provided the child is able to share the bed with the adults - no additional bed will be provided. Please be aware that balcony cabins of any kind may be unsafe for small children if left unsupervised. Children 4-7 years old are not recommended on any program and on our Africa program, due to safety precautions, there is a minimum age limit of 12 years old, unless otherwise agreed upon by AmaWaterways. AmaWaterways does not provide child-specific programs or child-minding facilities.

Disabled Participants: Handicapped facilities are not available on board or in many places visited on the cruises and cruise tours we offer. If you (participant) have a disability and reasonable accommodation may enable you to use the services, please let us know how you believe we can help. Participant must inform us in writing, at or immediately after making the reservation, but in any event as early as possible, of any mobility impairment or other condition, whether physical, emotional or mental, which may require accommodation or use of an assistive device during the travel. A reasonable effort will be made to accommodate special needs, but we are not responsible for denial of service by carriers, hotels, or other independent suppliers. A participant, who, due to impairment, is not self-sufficient, may be required to travel with a companion who shall take responsibility for assistance needed during travel and in case of emergency. An individual with a disability that would result in a direct threat to the health and safety of others or to that individual may be excluded, if it is determined there is a significant risk that cannot be eliminated or reduced to an acceptable level by reasonable accommodations, policies, practices, procedures assistive devices or services. If participant fails to timely inform us of any impairment or condition, and it is determined based on information that participant should have provided

that participation poses a safety risk to participant or direct health or safety threat to others, participant may be excluded from parts or all of the travel. We shall have no liability to participant relating to any condition, treatment, failure to inform us of an impairment, or resulting exclusion.

Pregnancy: For the safety of parent and child, and depending on various circumstances, passengers who are at an advanced stage of pregnancy (after 5 months) may be subject to restrictions or exclusion concerning their ability to travel and/or board a ship. Please inform us immediately, so we can assess your personal circumstances and possible accommodation.

Medical: Medical doctors are not available on any vessel. If medical services are required, efforts to contact local medical providers will be made. A participant requiring such assistance is solely responsible for all related charges. We will not be responsible or liable for sufficiency of our efforts to reach medical providers, unavailability, delay, quality or other aspect of any such services. Participant is encouraged at time of booking and well before departure, to review participant's health and medical conditions and insurance and consult participant's health care and insurance providers regarding needs and scope of coverage for any incident or need that may occur during travel, and to obtain supplemental health and medical insurance for the travel, as needed.

Inoculations and Medical Preparation: All passengers traveling on certain Africa itineraries will require Yellow Fever vaccination. AmaWaterways strongly recommends that all passengers take malaria pills for travel to Africa. Please contact your personal physician or local health department prior to travel for further detailed information and recommended precautionary measures.

Smoking: Smoking is only permitted on the ship's Sun Deck in the designated smoking area.

Diet: Special dietary requests must be provided to us at time of reservation. An effort will be made to meet the request, but we cannot assure the request can be accommodated.

Transport on river cruise ships ("ships") or other forms of transport ("transport") is provided by third party owners, operators and charterers ("supplier(s)"). PARTICIPANT AGREES THAT WE SHALL NOT BE LIABLE FOR ANY DAMAGE, LOSS (INCLUDING PERSONAL INJURY, DEATH, AND LOSS OF OR DAMAGE TO PROPERTY) OR EXPENSE OCCASIONED BY ANY ACT OR OMISSION OF ANY SUPPLIER PROVIDING SERVICES, OR ANY PROVIDER OF A TRAVEL PROTECTION PLAN, OR INSURER, OR OF ANY OTHER PERSON. If the services of a supplier cannot be delivered or there are changes in any planned service for any reason beyond our control, we will make an effort to arrange similar services. Any resulting additional expenses will be participant's responsibility.

Limitation of Liability: REGARDLESS OF ANY OTHER PROVISIONS IN THIS CONFIRMATION AND IN OUR BROCHURES, OUR LIABILITY FOR BREACH, DAMAGE, LOSS, PERSONAL INJURY, DEATH, AND/OR LOSS OF OR DAMAGE TO PROPERTY, OR OTHER LOSS, INJURY OR DAMAGE, ALSO INCLUDING, BUT NOT LIMITED TO, ECONOMIC DAMAGES, EMOTIONAL DISTRESS, MENTAL SUFFERING AND/OR PHYSICAL OR PSYCHOLOGICAL INJURY, WHETHER OCCURRING BEFORE THE START OF TRAVEL, AFTER TRAVEL HAS BEGUN, AFTER COMPLETION OF THE TRAVEL, OR MULTIPLE TIME PERIODS, AND REGARDLESS OF WHETHER DUE TO ACCIDENTAL OR WILLFUL OR INTENTIONAL ACT OR OMISSION OF ANY PERSON OR ENTITY, OR OTHER CAUSE SHALL NOT EXCEED THE AMOUNT PAID TO US FOR THE TRAVEL.
