

AMAWATERWAYS™

LEADING THE WAY IN RIVER CRUISING

EUROPE, ASIA & AFRICA
2018

Dear Traveler,

At AmaWaterways, we love what we do — providing our guests with the best travel experiences possible. In fact, “Ama” is derived from the Latin word for “love.” It is a concept that permeates every aspect of our river cruises, from the design of our ships to the development of our itineraries to the high levels of service we deliver to our guests. We always look to innovate, offer exciting new destinations and add extra value for each and every guest who travels with us.

Since 2002, we have expanded our global fleet to 20 ships. AmaKristina launching in 2017 and AmaLea in 2018 will include staterooms with connecting rooms to accommodate more than two guests and our revolutionary acclaimed twin-balconies. We’ll also introduce six new expertly crafted itineraries in Europe, as well as new itineraries in Asia and Africa. And we will continue to enrich our always-included shore excursions with more choices for our guests to personalize their experience as well as provide even more options to be as active as they wish.

AmaWaterways was the first river cruise line to offer complimentary bicycles for guests to use, and today, we recognize our guests wish to continue their health and wellness program when they travel. Therefore, we have curated a comprehensive selection of exclusive guided biking and hiking tours for those who wish to be more active and year after year we offer more varied menus with healthier options.

We are always and whole-heartedly dedicated to the happiness of our guests. Whichever destination you decide to explore with us, you’re sure to fall in love with our river cruises. On behalf of the entire AmaWaterways family, we look forward to welcoming you on board soon.

Sincerely,

Rudi Schreiner
President

AMAPRIMA IN PASSAU, GERMANY

OUR VISION

Family-owned and operated, AmaWaterways has been a passion project for its founders since its creation fifteen years ago. But the story truly began long before this.

Born in Vienna, at the heart of the Danube and with a love for adventure, travel and architecture, President Rudi Schreiner designed his first ship back in 1975 while sailing the Amazon for seven months. From there, it wasn't long before he was

spearheading innovative and memorable experiences for other travelers throughout Europe. In 1992, upon completion of the Rhine-Main-Danube canal, Rudi became a driving force for river cruise travel, developing operations and itineraries for many of today's major cruise lines. He continues constantly innovating and reimagining what it means to travel by river—and for these efforts has been recognized by travel agents worldwide as the “Most Innovative Cruise Executive” several years in a row, as well as being presented the prestigious “Lifetime Achievement Award” by Cruise Lines International Association (CLIA)—the only river cruise executive to ever win this award.

Executive Vice President, Co-Founder and Co-Owner Kristin Karst discovered her love of river cruise traveling early on as well, having been born in Dresden along the Elbe River. She brings her extensive experience in luxury travel, river cruising and customer service to AmaWaterways. Rudi and Kristin partnered with Jimmy Murphy, a brilliant travel entrepreneur who built Brendan Vacations, one of the most successful tour operations in the United States. His son Gary, who played a major part at Brendan, now carries on his father's tradition in his role as Vice President of Sales.

These families came together with the goal to create the premiere travel experience for AmaWaterways' guests. Fifteen years, and over 20 ships later, award-winning AmaWaterways continues to be the leading pioneer in river cruising. With a commitment to innovation and astute attention to detail, every AmaWaterways guest can be assured the most exceptional travel experience possible.

The legendary rivers of Europe have long been celebrated in both prose and song. Serving as major highways during the rise and fall of ancient civilizations, these waterways have continued their crucial roles as sources of sustenance, avenues of transportation and facilitators of commerce. Throughout history, major cities, smaller villages and stalwart fortifications have been built along their banks. You rarely have to wander far from the river bank to discover a wealth of European art, culture, history and architecture.

This major river of the Iberian Peninsula flows from its source in Spain to its outlet in Northern Portugal. It is here that river cruisers will discover the Douro River Valley - the birthplace of port wine and a designated UNESCO World Heritage Site.

THE GARONNE, DORDOGNE AND GIRONDE ESTUARY

In the corner of southwestern France, the Garonne and Dordogne rivers merge together to form the Gironde estuary, which naturally divides the Bordeaux region into left and right banks. Travelers from around the world flock to this region that is well known for its many gastronomic delights.

THE SEINE AND RHÔNE

The Seine rises in northeastern France near Dijon, flows through Paris, and continues westward through Normandy to the English Channel. The Rhône flows from its source in the Swiss Alps and travels south to the Mediterranean, linking thousands of vineyards and wineries in southeastern France.

THE DANUBE

Captured in literature, art and Strauss’s famous “Blue Danube” waltz, this river is one of the world’s most romantic waterways. Extending for thousands of miles through Central Europe, the Danube flows eastward, passing four capital cities before emptying into the Black Sea.

THE RHINE, MAIN AND MOSELLE

The Rhine originates in the Swiss Alps and flows into Germany, where it joins the Moselle and its major tributary, the Main. Along these rivers are captivating sights that include castles, stunning vineyards and verdant valleys.

DUTCH AND BELGIAN WATERWAYS

A series of connecting rivers, including the Amstel, from which Amsterdam took its name, connect the Netherlands and Belgium. A voyage along these waterways in the spring offers many opportunities to watch nature blossom in breathtaking fashion in this picturesque part of the world.

DETAILS OF YOUR CRUISE & VICTORIA FALLS STAY

MONDAY, ZAMBEZI QUEEN - EMBARKATION. On arrival in Kasane from Cape Town or Johannesburg transfer to the Chobe River, where a private safari boat will transport you to the Zambezi Queen. Late this afternoon, enjoy a sunset cruise down the Chobe River before a Welcome Cocktail and Dinner on board the ship. (B,D)

TUESDAY, ZAMBEZI QUEEN. This morning embark on a boat safari to explore the Chobe River's spectacular game viewing. Then journey back to the Zambezi Queen for lunch as well as time to relax on board. Later today, enjoy a slightly different version of a river safari aboard a special double decker barge which will allow you to venture into the Southern channels. This excursion will offer you an unusual viewpoint to observe hippos and elephants in their natural habitat. (B,L,D)

WEDNESDAY, ZAMBEZI QUEEN. Join a full day safari of Chobe National Park in open-top 4x4 vehicles. Chobe National Park is home to one of the most dense populations of wildlife in Africa. Be on the lookout for elephants, giraffe, zebra, sable, warthog and cape buffalo. Prides of lions, hyenas and (more rarely) cheetahs, are normally visible along the way. Lunch will be a delicious picnic served up under the trees. (B,L,D)

THURSDAY, ZAMBEZI QUEEN. This morning, enjoy an unforgettable visit to a typical African village to experience the local culture first hand. Spend time with the children of the village as well as its elders and learn about their day-to-day life. After lunch on board, you can choose your afternoon activity including an afternoon safari by boat, bird watching or fishing. Tonight your crew hosts an African themed dinner complete with singing and dancing. (B,L,D)

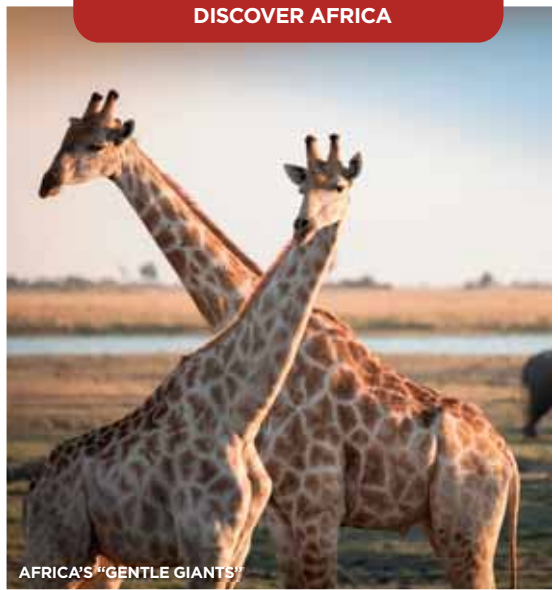

FRIDAY, ZAMBEZI QUEEN - DISEMBARKATION - VICTORIA FALLS. Transfer to legendary Victoria Falls, one of the greatest natural wonders on earth. Spend the afternoon exploring the town or experience one of the many optional activities. Tonight join a scenic vintage steam train ride over the Victoria Falls bridge complete with cocktails and appetizers. Dinner follows at the hotel. (B,D)

SATURDAY, VICTORIA FALLS. A local guide will take you on a tour of remarkable Victoria Falls today. You'll learn about its history and the flora and fauna that make this area so unique. Tonight, embark on a private and festive Sunset Cruise along the Zambezi River. Relax on board as you observe a variety of game while enjoying a delicious mix of tapas with drinks. (B)

SUNDAY, ONWARD JOURNEY. Bid adieu to Victoria Falls as you choose from four vacation options including Johannesburg, Kruger National Park, a Rovos Rail luxury journey or the Serengeti in Tanzania. (B)

Eco-Tourism

Responsibility towards the environment forms the foundation upon which the Zambezi Queen was built.

- A water jet propulsion system replaces the conventional propeller system, causing no damage to the river bed.
- Only the latest fuel efficient and low emission generators are run during daylight hours, with the boat operating on battery power through the night.
- Hot water is provided by a solar heating system.
- Energy-saving lights throughout.
- Water-saving taps and showers.
- Onboard sewage processing plant.
- Cleaning detergents and soaps are biodegradable.
- Five-stage water purification plant, using river water in showers and tap.

TERMS & CONDITIONS

Parties: In these terms and conditions, “you” or “passenger” or “participant” refers to the person booking, purchasing or traveling on the cruise, and to individuals traveling as part of that person’s reservation. “We” or “us” refers to Amadeus Waterways, Inc., a California corporation (“AMA”) and AmaWaterways, LLC, a California Limited Liability Company (“AWL”). AMA offers the travel and enters into these terms and conditions with you pursuant to arrangements made with AWL.

Deposit and Final Payment: To confirm a cruise or cruise & land reservation, we require a deposit of C\$500 per person for Europe and Asia itineraries and C\$3,000 per person for Africa itineraries on or before the deposit due date indicated on the confirmation. Transoceanic airline flights and packages require an additional deposit of C\$450 per person for economy class or C\$750 per person for business/first class flights. Certain airline tickets require non-refundable, full payment at the time of reservation. Hotel Extra Nights require a non-refundable deposit of C\$50 per cabin at the time of confirmation of the hotel availability. Final payment is due no later than 90 days before the travel start date.

Pricing: All prices are in US dollars. In the event that a cruise fare listed, quoted or advertised through any website, printed collateral, reservations person, travel agent or any other source is booked, but is incorrect due to an electronic error, typographical error, human error or any other error causing the fare to be listed, quoted or advertised for an amount not intended by AmaWaterways, AmaWaterways reserves the right to correct the erroneous fare by requesting the passenger to pay the correct fare intended, or by canceling the cruise. Airfares, air taxes and air surcharges quoted on your invoice or by a reservation agent are only guaranteed once airfare deposit or full payment is received by AmaWaterways. AmaWaterways reserves the right to increase prices without notice.

Pricing Do Not Include: Published prices do not include vessel fuel surcharges; passport and visa fees; baggage fees; port charges and fees; travel protection; vaccinations; laundry; additional food and beverages; optional excursions; gratuities or other items or services of a personal nature.

Cancellation Charges: In the unfortunate event a participant must cancel travel, notice to AmaWaterways must be via email to Res@amawaterways.ca, which must include a return receipt and read notation, or other writing stating clearly and correctly each guest’s name, ship name, start and end date of the cruise and a brief statement of the reason for cancellation. Other forms of notice are not sufficient. The effective date of the cancellation is the date we receive the written cancellation notice. Name changes, a substitution of a participant or a reduction in the number of guests in a stateroom are treated as a cancellation in that all applicable cancellation charges apply. Cancellation charges for bookings within charter and part-charter agreements are as per the charter contract. All other cancellation charges are per-person, based on the cancellation date, as seen in the chart below.

Passport and Visas: A valid passport is required for each participant. Passports must be valid for at least six (6) months after the scheduled return date to your home country. For travel to Asia, we require a copy of your valid passport prior to or at

final payment. If not received at this time, embarkation may be denied and cancellation penalties will apply. Guests on the Vietnam/Cambodia Cruise & Land program must obtain a Multiple Entry Visa for Vietnam, as they will have two different points of entry into Vietnam, and a Single Entry Visa for Cambodia. Guests on the cruise only Vietnam/Cambodia itinerary will require a single entry visa for Vietnam and Cambodia. For travel to Africa, a valid passport with 8 open/non-stamped pages is required. At publication time, a visa is required for a US citizen to travel to Turkey, Vietnam, Cambodia, Myanmar, Kenya, Tanzania and Zimbabwe (as well as numerous other countries). Non-US citizens must consult the appropriate consulates regarding visa and other document requirements. Obtaining required visas and any other required travel documentation, and assuring these are complete and correct in all ways, is the sole responsibility of each participant. We are not in a position to obtain or verify the accuracy or completeness of any participant’s visa or other required documentation and shall not be responsible or liable for delay or missed portion of any part of the itinerary or other problems resulting from the participant lacking the appropriate travel documentation.

GENERAL PROVISIONS

Cruise and Cruise & Land Itineraries: Carrier seeks to provide services as published or stated in the final documents. But deviations to planned cruise, cruise & land itinerary or any other aspects of the travel may occur. If conditions make cruise routes unsafe for navigation or in other respects, or raise sufficient doubt about safety, Carrier reserves the right to modify or provide alternate services. These may include, but are not limited to, providing accommodation on the docked ship and/or substituting ground arrangements. An effort will be made to try to arrange elements of the cruise and cruise tour similar to those originally planned, but the level of similarity may vary. Except as otherwise provided in your Passenger Ticket Contract, such changes will not entitle you to any credit or a refund. Cruise, cruise & land routes, and all other aspects of the cruise and travel are subject to change with or without notice.

Hotel Accommodations: We will seek to use hotels listed (if any) on your confirmation. Changes may be necessary; therefore use of such hotels is not assured. An effort will be made to substitute similar hotels, but the level of similarity may vary. Standard policy for hotels is to have rooms available for check-in no earlier than 3:00 p.m. Subject to the discretion of the hotel; triple-occupancy hotel accommodations may involve the use of hotel rooms with just two beds. Only those guests who have elected to take our Cruise & Land program on the brochure itinerary dates will receive transfers between the hotel(s) and the ship.

Cancellation: Carrier reserves the right to cancel, change or postpone any cruise departure date and itinerary. In the event of a complete cancellation of a departure by Carrier, we will refund monies paid for the cruise or cruise & land package to those participants who have not previously cancelled.

Disclaimer of Responsibility: AMA’s arrangements are with AWL, and they arrange with others for services described in this confirmation and in our brochures. Transport on river cruise ships

(“ships”) or other forms of transport (“transport”) is provided by third party owners, operators and charterers (“supplier(s)”). Supplier and participant obligations and liabilities are subject in each case to terms and conditions of each supplier’s contract of carriage or other supplier terms and conditions, and any and all applicable government laws and regulations and international conventions that apply, including, but not limited to choice of law, jurisdiction of disputes and limitations of liability and limitations on timing of claims. PARTICIPANT AGREES THAT WE SHALL NOT BE LIABLE FOR ANY DAMAGE, LOSS (INCLUDING PERSONAL INJURY, DEATH, AND LOSS OF OR DAMAGE TO PROPERTY) OR EXPENSE OCCASIONED BY ANY ACT OR OMISSION OF ANY SUPPLIER PROVIDING SERVICES, OR ANY PROVIDER OF A TRAVEL PROTECTION PLAN, OR INSURER, OR OF ANY OTHER PERSON. If the services of a supplier cannot be delivered or there are changes in any planned service for any reason beyond our control, we will make an effort to arrange similar services. Any resulting additional expenses will be participant’s responsibility.
